Part 1: Reading Aloud

Read the following text.

Why do people read?

My father reads because he wants to learn about the world. He reads the newspaper every morning. My mother cooks for the family, so she usually reads cookbooks. My younger brother, David, doesn't like reading. He only reads when he has a test or a project to do. But I love reading! I read because it's fun and I enjoy it. It helps me forget about my problems too!

Part 2: Teacher-Student Interaction

The teacher will ask you some questions. Answer them.
