### **Hong Kong Buses**

There are different kinds of buses in Hong Kong! We have big buses, small buses, double-deck buses and single-deck buses. They go almost everywhere and they are quite cheap. Some buses go under the harbour and some go far into the New Territories.

My favourite bus takes me home from school every day. On the bus, I can sleep, read or watch the television. I can also look out of the window and see busy people, crowded streets and tall buildings.

## **Part 2: Teacher-Student Interaction**
