### **Sports**

Most young people love to play sports. Young people are usually very active. What kinds of sports do you like doing? Do you like doing sports alone or with others?

Football and basketball are team sports – we need other people to play these sports with. On the other hand, swimming and running are sports that we can do alone.

It doesn't matter whether we play sports with a group of people or not. The most important thing is to find a sport that you enjoy.
