*John is reading a poem in the English Corner.*

Read the poem.

My favourite teacher is so clever 1  
She is my best teacher ever

She teaches us many words  
So that we can read about the world

She corrects my spelling mistakes 5  
No matter how many I make

She gives us homework to do every day  
But that's okay - after I finish, I can play

Sometimes I may not have good ideas  
But she will help me to make things clear 10

One day I will leave here and go to secondary school  
But I will remember this teacher - she is so cool!

### Part 3

*John is reading a letter to the editor in a newspaper.*

Read the letter.

Dear Editor, 1

I felt very upset after reading your newspaper on 10 June – another dog was poisoned on Bowen Road recently. His owner was careless to let him run free. People should know that many dogs have been poisoned there in the past few months. 5

Any person who kills dogs in this way is like a cold-blooded murderer. It is cruel to make dogs suffer so much. It is also sad for owners to lose their pets. They must keep a closer eye on their dogs. The police must also do more to catch the people who put poison out for dogs to eat.

I'm really scared. These horrible acts must stop. 10

*John received a letter from Chris.*

Read the letter.

Dear John, 1

Thank you for your get-well card. Let me tell you more about the serious accident I had recently.

The night before the accident, I was surfing on the Internet for my homework. I woke up late, so I was in a hurry to go to school. It was already 7:45 a.m. My school bus had already gone. I had to run to school. I crossed the road quickly without checking the traffic lights. Suddenly, a car hit me. I fell to the ground and hurt my head and legs. A few minutes later, I was on a stretcher and being carried to an ambulance. 5  
10

The doctor was worried about my injuries. I couldn't get out of bed for the first two weeks because both my legs were in plaster. Luckily, I'm recovering well. But I feel quite bored in hospital. Of course, I can't play football. I can only read books and newspapers. 15

After this accident, I'll remember to be very careful when crossing the road. It is important to give yourself enough time and not to rush everywhere.

How was the School Sports Day? I really wanted to be there. The doctor told me I can leave hospital tomorrow and go back to school next week. I've been here for a month! 20

I'd better stop here and get some rest. See you soon.

Yours,  
Chris
