**Tapescript Part 1 (9EL1 / 9EL3)**

**Narrator**                    *The English Club has been asked to make a list of TV programmes and movies for students to watch in the school holiday. To help you make the list, your English teacher has prepared a recording of MoovTV.*

Listen to the recording and answer the questions in *Part A* and *Part B*. The recording will be played twice. Do as much as you can the first time and answer all questions the second time. You now have 30 seconds to read the questions in *Part A* and *Part B*. (*music 30 secs.*)

The listening will begin now.

**[Sammi – MoovTV host**                    Hi everyone. Welcome to MoovTV. Tonight we are going to review some movies and give you the rundown of what's on TV over the next few weeks that is worth watching.

**Theo – MoovTV host**                    Hi Sammi. Shall we start with the movies or TV shows?

**Sammi – MoovTV host**                    Let's start with the movies shall we, Theo?

**Theo – MoovTV host**                    Great idea! So, tell me Sammi, what did you think about the new Leon Chai movie, *Rough Rodeo Rider*? This will be on in cinemas starting from the 17<sup>th</sup> of July.

**Sammi – MoovTV host**                    The 17<sup>th</sup> of July? I thought it was going to open on the 16<sup>th</sup> of June with a special screening.

**Theo – MoovTV host**                    It was, but because of Leon's injuries, filming stopped. He broke some bones, suffered from cuts, bruises and a concussion. The special screening on the 16<sup>th</sup> of June was cancelled because of the delays.

**Sammi – MoovTV host**                    Oh, I see. Well, you know that I love Leon. I was really looking forward to this movie, but I wasn't impressed.

**Theo – MoovTV host**                    Oh really, I thought you would love anything Leon was in! What didn't you like about the movie?

**Sammi – MoovTV host**                    We all know that Leon is a martial arts superstar. His movies have always involved martial arts, action and danger. This movie is so different from anything that he has done before and it shows. Also, the leading lady Merry Lam just annoyed me.

**Theo – MoovTV**                    What? I loved her performance as Addy. Merry Lam was just great as

**host** the plain girl who tried to save the family farm.

I do agree with you though, about Leon's character. He lacked believability.

**Sammi – MoovTV host** YES, that's exactly it! He lacked believability. I wasn't able to really believe that he was a rough rodeo rider at all.

**Theo – MoovTV host** Yes, if you look at Leon when he is on screen, at his face and body, you can see he is scared when he is on a horse.

**Sammi – MoovTV host** It's stupid to do a movie about riding horses if you can't ride and are scared of horses!

**Theo – MoovTV host** I agree with that.

**Sammi – MoovTV host** This wasn't a good movie to show fans that he can do more than just martial arts. Maybe he should just stick to martial arts and action based films!

He wasn't suited to this role at all. I give this film one star!

**Theo – MoovTV host** LOL, that's really harsh Sammi!! I give this film a rating of three stars and that's mainly due to Merry Lam's performance. Without her this film would have been really terrible!

**Sammi – MoovTV host** Now onto TV shows. Season 2 of *Hong Kong Super Chef* started this year in March. It's a reality TV series in which real chefs compete against each other. I have a love/hate relationship with reality TV shows like this.

**Theo – MoovTV host** Yes, I know what you mean.

**Sammi – MoovTV host** There are still three episodes left until we find out the winner of Season 2. Who do you think will win? Chef Tina or Chef Peter?

**Theo – MoovTV host** Not sure Sammi. I get hungry watching them cook. I wish it was on before my dinner time. It starts at 8.30 and goes for one hour. When it's finished, I'm hungry but it's too late to eat then.

**Sammi – MoovTV host** Haha! I love the cooking parts.

**Theo – MoovTV host** The recipes are on the Hong Kong Super Chef website... *fade out*]

**Narrator** Now listen to the conversation again. *{Repeat []}*

**Narrator** You have 30 seconds to check your answers. *(music 30 secs.)*

This is the end of Part 1.
