The listening will begin now.

**[sound effect**                    (*sound effect of lots of voices – students all talking to each other*)

**Mrs. Leung - teacher**                    Quiet everyone. There was a jewellery robbery yesterday. The police are here to interview everyone to get more information about what happened.

**Constable Wong – Police Officer (female)**                    Thanks Mrs. Leung. Hi, I'm Constable Wong. Inspector Lee and I will be talking to you all in small groups.

**Constable Wong – Police Officer (female)**                    Peter, tell me what you saw yesterday. Where were you, what time was it, who were you with...?

**Peter – Student**                    It was around 12:40. I was eating lunch at the Super Snack Shop with Molly and Sam. We heard a loud bang and saw a man running down the street with a bag. Then we heard sirens and saw police running around. Ummm...

**Molly – Student**                    (*interrupting quickly*) Peter, we saw more than that. The man was wearing green pants and a blue T-shirt.

**Peter – Student**                    (*groan*) I was getting to that. You didn't let me finish! Green pants, blue T-shirt and shoes. He was wearing a pair of Reverse Tip Tops - the limited edition pair in black and gold which you could only order online. Only 1000 were sold in Hong Kong.

**Constable Wong – Police Officer (female)**                    That's great Peter. Thanks. Molly, can you add anything to what Peter said?

**Molly – Student**                    I don't remember the shoes, but Peter's a Reverse fan, so he knows

what he's talking about. Oh, the guy was also wearing a cap. It was blue with a white emblem on it. It was the red hair which really stood out to me.

**Sam – Student** Yes, I remember the red hair too. It's not a hair colour that we see that often. I don't think it was real though. The red colour was a bit strange. Maybe it was a wig.

**Molly – Student** Ooh yes, a wig, so that he could get to somewhere safe, remove the disguise and look completely different. Wow. Good thinking Sam. Does that help you Constable Wong?...*(fade out)*

**Narrator** Now listen to the interview again. *{Repeat [ ]}*

**Narrator** You have 30 seconds to check your answers. *(music 30 secs.)*

This is the end of Part 2.
