Mum: O.K. What vegetables will you use? Ah... You can use the ones that you like.

Paul: Mm...I like onions and carrots.

Mum: Yes, we have onions at home, but we don't have any carrots. So, buy two carrots then. // (*beep*) (*5-second pause*) How about cucumbers? You like cucumbers very much, don't you?

Paul: Yes, I must add that to my list! // (*beep*) (*5-second pause*) Mum, I know we have potatoes at home too.

Mum: Yes, that's right. But I think we already have enough vegetables for the dish. So, it's better not to add potatoes.

Paul: Do you have time to go to the supermarket with me?

Mum: Of course. By the way, remember to buy salt as well. You need to put salt on the beef and in the vegetables. // (*beep*) (*5-second pause*)

Paul: What about sugar?

Mum: Yes, we have sugar. We don't need to buy any.

Paul: Do we have to buy oil?

Mum: I don't think so. We have plenty at home. Oh, don't forget to buy the beef steak! // (*beep*) (*5-second pause*)
