Part 3B

Read the second part of the story.

My family and I like eating fish very much.
Many years ago, there were a lot of fish in the sea.
Now, people throw rubbish into the sea.   The water
is very dirty and smelly.   This kills many fish.   Some
of my uncles ate the dirty fish and died.   Every day   5
we have to swim a long way to look for food.

Sometimes I see people sailing on a boat.   They
wave to us.   They look very nice but Mum does not
let me go near them.   She is afraid that people may
catch us.   10

I hope people will not hurt us.   I want to have
fun with them.   I also hope that people will keep the
sea clean.   They should not throw rubbish into the
sea.   Then, we will not get sick and we will have a
comfortable place to live in.   15
