Speaker: On behalf of the Cancer – Fighting Foundation, I would like to thank you for your interest and support in the Charity Run. This is a great way for individuals and businesses to join together in raising money to help people with cancer.

The Charity Run has been a very successful event. It was first held in Canada but has since been held in many cities around the world. This year, cities sponsoring this event include: New York, London, Singapore and Hong Kong. The event, which has never been hosted by Hong Kong, will begin at Hong Kong Park.

As the Charity Run is not a competition, no official prizes will be given. However, if you register before the 31st October you can enjoy the early bird discount and get a runner's t-shirt and bookmark.

We also encourage all participants to sign up for the buffet dinner on the 3rd of December, which is the day before the race. For those who don't run there is plenty to do. On the 4th of December, information booths will be set up to provide information about cancer. So mark your calendar and don't miss out! The closing date for registration is the 15th of November.

Speaker: On behalf of the Cancer – Fighting Foundation, I would like to thank you for your interest and support in the Charity Run. The Charity Run will include two events: the Fun Run and the Competitors' Run.

The Fun Run is for children, parents, the elderly and wheelchair participants. This run is open to 615 runners and the route will take you past gardens and fountains. The race will begin at the entrance to the park on Kennedy Road and the length of the route is 4 kilometres.

The Competitor's Run is more challenging. A maximum of 350 runners will be allowed to take part. This run is for participants who have some experience in running long distances. It is 8 kilometres long. We suggest runners practise at least a few weeks before the race. Runners will start at the park entrance on Cotton Tree Drive.
