Collecting

People all over the world collect things. It's a popular hobby even in Hong Kong where there is little space to keep them! Things people collect include stamps, comics, cards, stickers, photos and toys.

People collect things for different reasons. Some people collect things because they may be worth something in the future. Other people do it because it's fun. Collecting is not a waste of time. It's a great hobby because everything collected has its own story.
