Read the following text aloud.

My Diary

Today, I was daydreaming in the English lesson again. I never really understand what my teacher is saying. He speaks slowly and smiles a lot, but I don't know how to answer his questions. I get high grades in my written work. But I find it so difficult to speak in English. Although I have a tutor at home, she just helps me with my homework. What can I do to improve my spoken English?

Part 2: Teacher-Student Interaction

The teacher will ask you some questions. Answer them.
