Read the following text aloud.

Using the Internet

Today, we keep in touch with our friends in many different ways. The Internet has become part of our lives. We send emails and chat online with friends. We also listen to music and watch videos on the Internet.

However, our grandparents are used to talking on the phone. They send letters by post. Listening to the radio and watching TV are still their favourite pastimes.

Part 2: Teacher-Student Interaction

The teacher will ask you some questions. Answer them.
