Tips for Keeping Dogs

- All dogs need a healthy diet. Never overfeed them.
- Keep all the wires at home out of reach. Puppies like chewing on everything.
- Don't leave any medicine on tables, chairs or in open cupboards.
- Dogs don't like getting too hot. In summer, only walk your dogs in the early morning or late evening.
- Some dogs don't like swimming. If they don't, never force them.
