Newspapers have reported that students in some schools are taking drugs. You and two other members of the Student Union are talking about what can be done to help prevent/stop students from taking drugs.

In your discussion, you may include:

- what to tell students about taking drugs – dangerous, bad for health...
- how to tell students not to take drugs – talks, through drama...
- what to do if your classmates take drugs – talk to them, tell somebody...
- any other details that are important

You may begin by saying:
