## **Part 1: Reading Aloud**

Read the following text aloud.

### **Friendship**

Friendship is really important and something we should all treasure. As we get older, our lives change. We grow up together with our friends in primary school. However, if we go to different secondary schools, we will not see one another as much as we did before. To keep in touch, we can send emails, talk on the phone and even meet up sometimes. Then, we can stay friends forever.

## **Part 2: Teacher-Student Interaction**
