## Part 4

*Grace is reading a passage about Aunt Annie.*

Read the passage.

### Aunt Annie

Aunt Annie is my mum's sister. Her hobby is reading. Her favourite books are love stories. She tells me to read more so I can learn new things. Aunt Annie buys me comics, storybooks and children's newspapers. She does not buy me any love stories. She says I am too young. She also likes sports and she has a passion for basketball. She loves playing basketball with her friends every Monday and Wednesday.

Aunt Annie is not a teacher, but on Saturdays and Sundays, she teaches some students English in a school. They come from China and know little English. She tells them stories in English and teaches them new words. When their English gets better, she is happy. Aunt Annie is kind and helpful to all her students. When I grow up, I want to help other people just like Aunt Annie.
