## **Part 1: Reading Aloud**

Read the following text aloud.

### **Old Hong Kong**

My grandma often tells me things about life in Hong Kong when she was small. She lived in a small stone house in Kowloon City. There were no tall buildings and very few cars on the road. Her family kept some chickens and grew vegetables for food. She always played with her neighbours in the open space outside. Her life was simple at that time but she was happy.

## **Part 2: Teacher-Student Interaction**

The teacher will ask you some questions. Answer them.
