Part 1: Reading Aloud

Read the following text aloud.

Go Green

It is important to go green and protect the Earth. Every year, our school holds a Green Week. There are many activities for students. We collect used paper for recycling. We turn off air-conditioners and make paper fans to cool ourselves down. Miss Wong teaches us how to turn leftover food into plant food in the school garden. The activities are great fun and we like them very much!

Part 2: Teacher-Student Interaction

The teacher will ask you some questions. Answer them.
