|                        |   | times. The first conversation will begin now.                                     |
| (1 <sup>st</sup> Call) |   | [ (Telephone ringing)                                                             |
| Mother                 | : | Hello, Tony.                                                                      |
| Tony                   | : | Hi Mum! It's already 6! When will you come home?                                  |
| Mother                 | : | I'll be in the office for 2 more hours. Can you do some shopping for me           |
|                        |   | please?                                                                           |
| Tony                   | : | Sure, Mum!                                                                        |
| Mother                 | : | Write this down. Buy a dozen eggs, large white ones.                              |
| Tony                   | : | Okay. Anything else?                                                              |
| Mother                 | : | A few apples. Buy a bag of 4.                                                     |
|                        |   | Ah! Don't forget to buy a newspaper for your dad.                                 |
| Tony                   | : | 'Hong Kong Evening Post', right?                                                  |
| Mother                 | : | He doesn't like that one. Buy 'The Star Post'.                                    |
| Tony                   | : | Alright, I'll do that.                                                            |
| Narrator               | : | You now have 20 seconds to answer Questions 1 to 3. // (beep)(20-second           |
|                        |   | pause)                                                                            |
|                        |   | Listen to the second conversation. The second conversation will begin now.        |
| (2 <sup>nd</sup> Call) |   | (Telephone ringing)                                                               |
| Tony                   | : | Hello.                                                                            |
| Aunt                   | : | Hello, Tony. This is Aunt Christina. Is your sister there?                        |
| Tony                   | : | No, she's out. Can I take a message?                                              |
| Aunt                   | : | Yes, please. This morning I told her to meet me at Ocean Plaza at six forty-      |
|                        |   | five. But I'm afraid I can't arrive on time. Please tell her to meet me at Season |
|                        |   | Place at seven fifteen instead.                                                   |
|                        |   | Also remind her to bring her discount card. She wants to buy some skirts. It'll   |
|                        |   | save her money.                                                                   |
| Tony                   | : | Will do.]                                                                         |

|----------|---|-------------------------------------------------------------------------------------|
|          |   | Tony is listening to a story from his mother.                                       |
|          |   | You now have 55 seconds to study Questions 1 to 11. // (55-second music)            |
|          |   | Now, listen to the story. The story will be played <u>two times</u> . When you hear |
|          |   | a beep (beep), answer the question. The story will begin now.                       |
| Mother   | : | [ One morning, Michael got up very late. He could not take a tram as usual, and     |
|          |   | quickly took a taxi. But he was 30 minutes late for school. He told his teacher     |
|          |   | Miss Lam, 'The tram I took broke down. I didn't have enough money to take a         |
|          |   | bus. So I walked to school'                                                         |
|          |   | Miss Lam felt sorry for him and said, 'You should bring enough money for bus        |
|          |   | fare next time.'                                                                    |
| Narrator | : | Question 1: Michael usually went to school by // (beep)(8-second                    |
|          |   | pause)                                                                              |
|          |   | Question 2: Why was Michael late for school? // (beep)(8-second pause)              |
|          |   | Question 3: What did Miss Lam do? // (beep)(8-second pause)                         |
| Mother   | : | At home that night, Michael kept playing computer games and didn't remember         |
|          |   | to do his online homework. The next day he said to his class teacher, 'There was    |
|          |   | no electricity in my home so I could not use the computer.'                         |
| Narrator | : | Question 4: Michael did not do his homework because // (beep)(8-                    |
|          |   | second pause)                                                                       |
| Mother   | : | In the English test, all the students got high marks. But Michael only got 35. Mr   |
|          |   | Mak was angry. Michael said, 'My mum is in hospital. I have to do all the           |
|          |   | housework. So I could not prepare for the test.' Mr Mak forgave him. But all his    |
|          |   | classmates laughed.                                                                 |
| Narrator | : | Question 5: Why was Mr Mak angry? // (beep)(8-second pause)                         |
|          |   | Question 6: Michael told Mr Mak that he was busy // (beep)(8-                       |
|          |   | second pause)                                                                       |
|          |   | Question 7: Why did Michael's classmates laugh? // (beep)(8-second pause)           |
| Mother   | : | The next day, Michael lost his wallet at school. He had no money to take a tram     |
|          |   | or bus home. He asked his classmates to lend him some money. They said, 'You        |
|          |   | are making up stories again!' They all ran away. 'I'm not lying!' (sad) Michael     |
|          |   | said to himself. With no money, Michael walked home like a snail. It took him       |

more than an hour to get home.

Narrator : Question 8: Michael said, 'I'm not lying!' How did he feel? // (beep)(8-second pause)

**Question 9: How did Michael go home?** *// (beep)(8-second pause)* 

Mother : When Michael got home, his little sister cried at the door, 'Mummy fell in the kitchen!' Michael ran to the kitchen and cried 'Mum!' Then he heard his sister laughing so he knew that she was lying to him. He shouted at his sister, 'It is wrong to tell lies, Cindy!'

That night, in his diary, he wrote ... ]

Narrator : Question 10: What will Michael write in his diary? // (beep)(8-second pause) Question 11: What is the correct order for the pictures? // (beep)(8-second pause)

Listen to the conversation again and check your answers.

Repeat [] without questions and pauses.
