The End-of-Year Activity Team is organising activities for students to participate in. You and two other members of the team are talking about the activities.

In your discussion, you may include:

- what activities to hold e.g. trips, school club activities...
- who will run the activities e.g. instructors, students...
- when the activities will take place
- who will pay for the activities
- anything else that you think is important

You may begin by saying:
