*The Library Club is organising an inter-school reading competition. You and two other members of the club are talking about the competition.*

In your discussion, you may include:

- reasons for the competition e.g. read different books, discover new authors...
- when and where to hold the competition
- who can join
- reminders for students e.g. where to get the books, what to do when they have read a book...
- anything else that you think is important

*You may begin by saying:*
