After-school Activities

Many students have activities after school.

My best friend is very busy. He plays the drum in the school band after school. He goes to a painting class every Wednesday. At weekends, he also has swimming lessons.

I like sports so I have joined the school basketball team. On Fridays, I have dance lessons. I don't like having too many activities because it makes me tired.

Part 2: Teacher-Student Interaction

The teacher will ask you some questions. Answer them.
