Part 1: Reading Aloud

Read the following text aloud.

Where I Live

I live in a housing estate. I like the place because it is very convenient. It is close to my school so I can go there on foot. That saves me a lot of time.

Shopping is also easy. There is a big shopping centre nearby. It has supermarkets, restaurants and many other shops. However, the place I like most is the public library because I love reading!

Part 2: Teacher-Student Interaction

The teacher will ask you some questions. Answer them.
