Your STEM Club is running Technology Week soon. You and two other members of the club are talking about how technology affects students' lives, its advantages and disadvantages.

In your discussion, you may include:

- technology students like to use e.g. social media, smartphones...
- technology that students can use at school e.g. internet, tablets...
- positive and negative effects of technology on students at school and at home
- how students learn about technology
- anything else that you think is important

You may begin by saying:

We're going to run Technology Week soon. First, let's talk about technology students like to use.
