When you hear a beep (beep), answer the question. The conversation will begin now.

Miss Tam : [ Good morning, class. Today I'm going to tell you something about jeans. Do you wear jeans?

Christy : Yes. I like wearing T-shirts with blue jeans.

Jack : Me too.

Miss Tam : Good. But do you know who made the first pair of jeans? (pause) No? Let me tell you. In about 1840, a man called Levi Strauss opened a shop in San Francisco.

Christy : Where is San Francisco?

Miss Tam : In the USA. It's a big city now. Mr Strauss sold clothes, ribbons, bed sheets and other things there, back when it was only a small town.

Narrator : **Question 1:** What does Christy like wearing? (beep)(8-second pause)

**Question 2:** San Francisco is \_\_\_\_\_. (beep)(8-second pause)

Miss Tam : At that time many people went to San Francisco for the 'Gold Rush'.

Christy : What was the 'Gold Rush'?

Miss Tam : People looked for gold in rivers and mountains. The work was hard and dirty. Strauss's shop also sold a kind of cloth that was very strong. So many people bought it to make trousers and tents. A tailor called Davis bought the same cloth to make trousers. But he also designed special metal buttons for them. He used a hammer to fix the buttons onto the cloth. This made the trousers even stronger.

Narrator : **Question 3:** People bought the cloth from Strauss's shop because it was \_\_\_\_\_. (beep)(8-second pause)

**Question 4:** Davis designed \_\_\_\_\_ for the trousers. (beep)(8-second pause)

Miss Tam : Davis and Strauss started a factory together to make these trousers. They made the trousers in two colours: brown and blue. The blue ones became very popular as more and more people bought them. Factory and farm workers wore them for work. Other people wore them because they thought they looked good.

Jack : / But why are these trousers called jeans? (curious tone) /

Miss Tam : Good question. Maybe it's because people used a material called 'jean' to make the trousers.

Narrator : **Question 5:** Which colour of jeans became very popular? (beep)  
(8-second pause)

Listen to what Jack says and answer Question 6.

**Repeat //**

Narrator : **Question 7:** Many American movies showed \_\_\_\_\_.  
(beep)(8-second pause)

Miss Tam : So today jeans are popular all over the world. Both men and women wear them.

Jack : Miss Tam, do you wear jeans too?

Miss Tam : Of course, I have seven or eight pairs at home. I like jeans more than skirts and dresses. ]
