The English Club is producing an English magazine. You and two other members of the English Club are discussing what you have to do to produce the magazine.

In your discussion, you may include:

- what to include in the magazine e.g. articles about school activities, competitions...
- which students will be chosen to help and why
- what jobs students will do e.g. interview teachers, write articles...
- who else needs to help with the magazine production
- anything else that you think is important

You may begin by saying:
