The Student Union is organising inter-school activities with other local schools. You and two members of the Student Union are talking about the activities.

In your discussion, you may include:

- how many schools to join with and why
- reasons for joining with the schools e.g. friendships, help each other...
- what activities to hold e.g. interschool singing/dancing, sports...
- when the activities will start and how long they should last for
- anything else that you think is important

You may begin by saying:
