The Student Union is organising a seminar about teaching and learning in the 21st century.

Prepare a two-minute presentation about learning from home if you are sick or schools are closed. You can use some ideas from the following mind map and/or your own ideas in your presentation.

You may use the following or your own words to begin and end your presentation.

Good morning/afternoon, everybody. I'm going to talk about learning from home if you are sick or if schools are closed.

Thank you. That's all I want to say.
