Amy is reading an article about a famous painter.

Read the article.

Monet

1

French painter Monet was born in 1840. When he was a child, he drew funny pictures of his teachers. Later he went to an art school to study painting. He was poor because he could not sell his pictures.

5

In 1874, he displayed a painting of a rising sun. People did not like it. Some said it was a poor painting.

Monet continued to paint in his own way. Many painters finished their paintings indoors. However, Monet painted outdoors because he wanted to show the true colours of nature. This made him really famous. In one picture, he painted a church under the sun. It had many bright colours.

10

In 1880, he moved into a house in Giverny. Inside the garden he built a bridge over a pond with water lilies. In 20 years, he painted 250 pictures of these flowers. His eyes turned bad when he got older. He died in 1926.

15

Today his paintings are found in museums around the world. In France, there is a big gallery showing some of his paintings of water lilies.

Amy is reading a poem in the library.

Read the poem.

Dad is a fireman, tall and strong.

1

Mum says he's the bravest in the world.

But when he sees insects like cockroaches or bees,

Whoosh! He runs and screams like a little girl.

Mum works in a school library.

5

At home she only reads comic books.

Her favourite place is the boutique nearby,

But she buys no clothes, she only looks.

Grandpa is 75 but never tired.

10

He swims in the morning, hikes in the afternoon.

He has already been to most places on earth.

He is now dreaming of flying to the moon.

Our last family member is like a sloth.

She moves slowly and wakes up late.

15

We play games and sleep in the same little bed.

Not my sister! Just my dog called Kate!

Dear Aunt Peggy,

How are you? Let me tell you about my new school. Now I'm going to Jones Primary School because Daddy said there are too many tests in the old school. My new school is not so close to my home. I need to get up earlier every day.

This school is very big, with a beautiful garden. My class teacher Miss Jenny Ho teaches us Maths. My classmates come from different countries. One of them is called Emily. She is from Canada, and she can draw very well. We usually talk in English, so I think my English has improved over the last two months.

There are teams for sports like swimming, basketball and tennis in the school. But I have only joined the badminton team. The coach said I play very well. Mummy is very happy. She said someday I will play for Hong Kong in the Olympic Games and win a medal!
